

# Fractions are a piece of cake!

To better understand fractions and learn to spot which are equivalent, take a look at this fun colouring page.

## Instructions:

1. Colour in the slices of cake according to the fraction provided.
2. Colour in the rest of the picture however you like.
3. See if you can spot the equivalent fractions.

## Equivalent fractions answer key:

$$4/8 = 2/4$$

$$1/2 = 5/10$$

$$5/8 = 10/16$$

$$2/10 = 1/5$$

$$2/8 = 1/4$$

$$2/16 = 1/8$$

$$1/2 = 3/6$$

$$3/5 = 9/15$$

$$4/16 = 1/4$$
