

Learning to read, one sound at a time (in French)

Knowing how to recognize sounds is one of the first steps in learning how to read.

Here's a fun game to get your child off to a good start.

Instructions:

1. Print out the pages and choose one.
2. Set a realistic goal (e.g., get three or more correct answers).
3. Ask questions based on our suggestions.
4. Give your child a reward when they achieve the goal (e.g., a sticker, three kisses).
5. Start again!

Suggested questions for practising sounds:

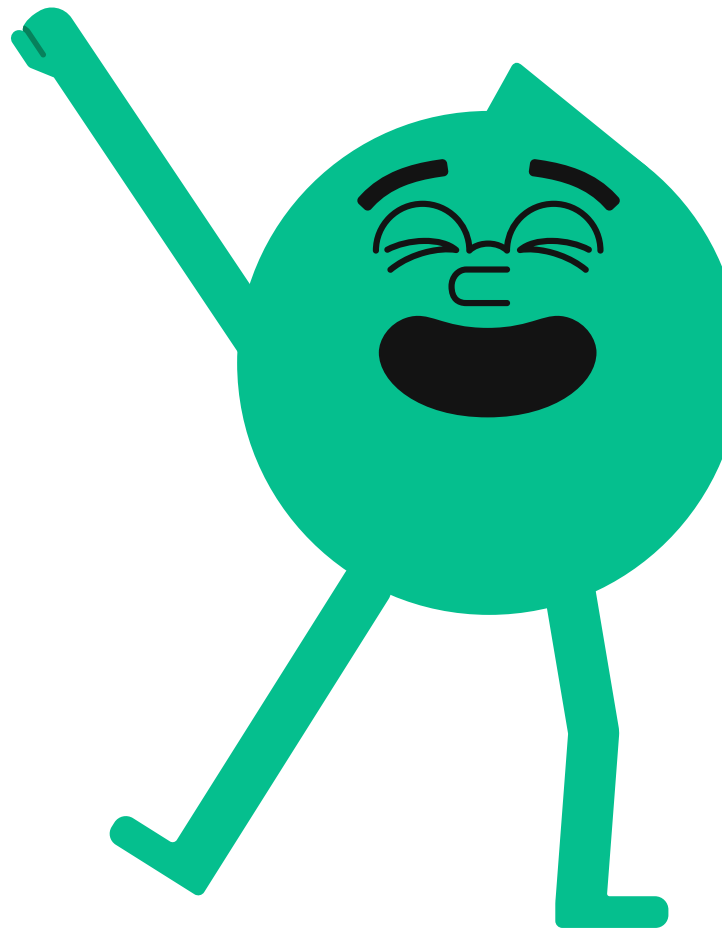

Show me pictures of where you hear the sound
_____ (make the sound—for example,
“eeeeee”).

Can you tell me if the sound is at the beginning,
middle, or end of the word?

Can you make the sound _____?

Can you show me the letters that form the sound
_____ in the word _____?
