

The Referendum Period

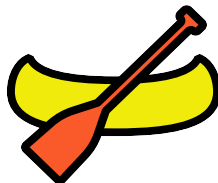

Student Workbook

Answer the following questions to familiarize yourself with the important concepts in this unit and complete the summary table.

You can use the following resources:

- ▶ Alloprof Concept sheet - [*The Period Between the Two Referendums*](#)
- ▶ Your textbook

- 1.** In 1976, René Lévesque proposed a major political change for the province: independence for Quebec. However, he still wanted to maintain economic ties to the rest of Canada. What is this concept called?

- 2.** What was the Quebec government's goal when it called a referendum on sovereignty-association in 1980?

- 3.** Shortly after the referendum on sovereignty-association, the Prime Minister of Canada, Pierre Elliott Trudeau, initiated plans to patriate the Constitution of Canada.

- a) What is a constitution?

- b) Before 1982, which country held the Constitution of Canada?

- c) Why did the Canadian government want the Constitution of Canada to be patriated to Canada?
