Exam Survival Checklist

Step 1: Make a Plan

- ☐ Write exam dates into a calendar
- ☐ Include extracurricular activities, tutoring sessions, special events, etc.
- ☐ Break down topics into manageable chunks
- Add study blocks (no more than 30 minutes)
- ☐ Schedule breaks

Step 2: Create a Study Aid

- ☐ Gather class notes, textbooks, and other materials
- Review one concept at a time
- Organize key information on flashcards, graphic organizers, timelines, etc.
- Include keywords, definitions, important dates, formulas, and diagrams, where necessary
- Use colour to highlight important details

Step 3: Practise, Practise!

- Use practice tests and exercises given by your teacher
- ☐ Use Alloprof exercises
- Create your own! Use Alloprof's Help Zone to find questions that other students have asked
- Read our article: <u>Study Smarter: Fun Techniques</u> for Your Next Test! for more tips.

REMEMBER TO:

- → Eat well
- → Sleep
- → Hydrate
