

Plan Out My Zine

Answer these questions to clarify your ideas organize your zine project.

What's the title of my zine, or what's the central theme I want to explore?

What's the objective of my project? Is it to inform, share an opinion, stir up emotions, or something else?

Who is my zine intended for?

What kinds of content will I use (illustrations, collages, poems, quotes, stories, etc.)?

Feel free to take notes in the boxes below to help organize your ideas and design the content of your zine. The notes given in the bubbles will help you get a sense of what your final version will look like.

These are the last two pages of your zine.
Be careful! You have to turn the sheet 180°
before you write so that the text will
be right side up in your zine!

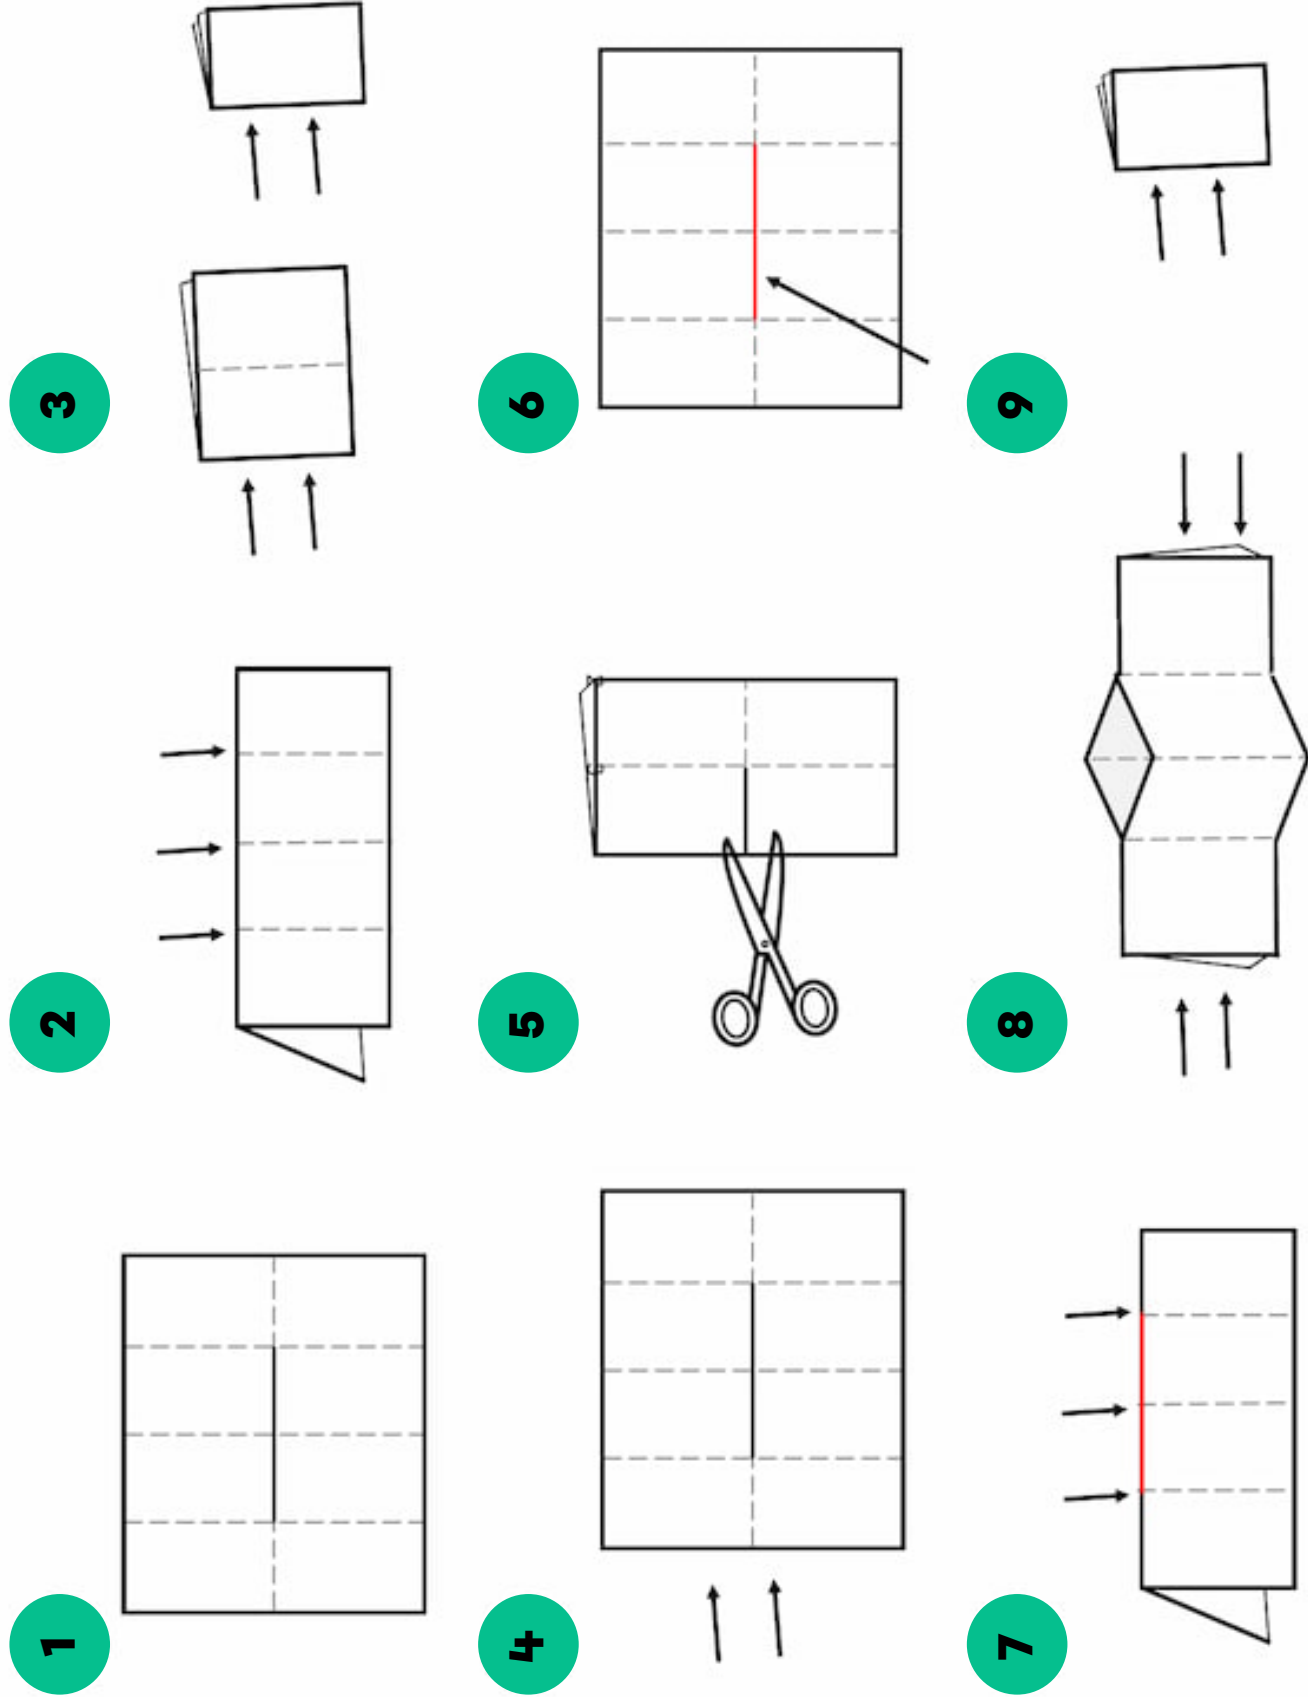

These two pages sit side by side.
Be careful: You have to turn the sheet 180°
before you write so that the text will
be right side up in your zine!

This is the back cover of your zine.
It's what readers see when your zine
is closed and face down on the table.

This is the cover page.
It's the first thing
your readers will see!

These are the first two pages.
When your zine is open,
they sit side by side.

How to fold your zine using an 8 1/2 x 11-inch sheet
