Legend

- 1 Organize a garage sale or lemonade stand.
- 2 Read a book or listen to an educational podcast.
- 3 Prepare a recipe as a family or conduct scientific experiments.
- 4 Play board games or do an art project (knitting, dancing, drawing, etc.).
- 5 Take care of a garden or vegetable patch.
- 6 Explore the world of astronomy: Draw some constellations or observe the Moon and stars.
- 7 Make a grocery list or count change.
- 8 Observe the local flora and fauna or try geocaching.
- 9 Borrow books or sign up for workshops.
- 10 Visit a cultural or historical site.
